Introduction

It is a pleasure to present you with a copy of our new wholesale list.

As always, our endeavor is to grow the finest plants possible, plants we ourselves use and have found best suited for landscaping. We assure you that our every effort is put forth to merit your confidence and good will.

You are most cordially invited to visit our nursery and inspect our acreage of plant materials. We are located three miles south of Reading, Pa., on Route 73 at the village of Angelica.

Respectfully yours,

ANGELICA NURSERIES
